

## Parental Consent Form

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image and name to be published on the school's web site as well as all other forms of media that are related to and/or generated by our school.

**As you are aware, there are potential dangers associated with the posting of personally identifiable information through media and on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.**

Pursuant to the law, we will not release any additional identifiable information without prior written consent from you as parent. Additional personally identifiable information includes residential addresses, e-mail address, phone numbers and locations and times of class trips.

If you, as the parent, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school and such rescission will take effect upon receipt by the school.

Please be advised that local newspapers and other organizations may publish photos/images and personal information as a result of students being recognized for a variety of accomplishments; these may subsequently appear on that organization's web site. We do not have any ability to prevent such postings.
