

Permission for Community Service and Athletic Events

Throughout the year, Newmark High School students will be participating in various school-wide and athletic activities. These activities are an integral part of the school program and each student's participation is encouraged.

I hereby give permission for my child to take part in the following activities as part of his or her program at Newmark High School. I further give permission for Newmark High School to transport him or her to and from these activities or walk (with Newmark supervision) when appropriate.

- *Interscholastic Athletics including but not limited to basketball, softball, chess, etc.*
- *Services Club trips and activities.*

Permission for Videotape and Photography

As you may be aware, Newmark High School may videotape certain activities and class lessons for educational purposes. Below you will find a permission slip for your signature allowing your child to participate in these activities.

I hereby give Newmark High School permission to videotape and photograph my child and use these pictures in the yearbook, school newspaper, and other documents that may be viewed by the public.
