Roman shoots!

Dear Parents,

I am extremely proud of our Newmark High School Community. This year has been full of successes and wonderful achievements and after dismissal on June 20, 2022, summer will officially begin!!!

A huge thank you to our exceptional parents for contributing to an outstanding school year! We truly appreciate your ongoing support throughout the year.

A heartfelt thanks to our outstanding staff for a fantastic school year! Thank you for the pride you take in our school and for valuing and supporting education and the success of our students. I truly appreciate all of your hard work.

On Friday, June 17, 2022, we had a beautiful sendoff and said farewell to our Senior Class of 2022. Over the past four years, the staff at Newmark High has taught and given them the tools to become responsible and respectful young men. They have a uniqueness about them that will be remembered for a very long time. We will miss them and they will always be a part of our Newmark Family.

Please note, the final marking period Report Cards will be live on Monday, June 20, 2022, at 3:00 PM on your parent portal. If you have any questions, please call the school.

We are very excited to begin our ESY program on Wednesday, July 6, 2022. I am looking forward to seeing many of our students back here in July.

I want to personally thank all of our students for this year. We have all been challenged in different ways this year, but together we found a way to make the most of each day and opportunity. I am so very proud of our students. The commitment and dedication I witness each day is inspiring, and the energy that fills our school is contagious. I wish everyone a wonderful summer!

Sincerely,

Ms. Gina M. Borea
Principal

TRACK AND FIELD MEET

On May 19, 2022, five schools met at Oak Ridge Park in Clark, NJ to participate in the 9th annual NJNCAA Track and Field Meet sponsored by Newmark High School. High school runners, jumpers and throwers took advantage of the perfect weather conditions to put their athletic skills on display.

Newmark High School had a few stand out performers during the day's competition, including Jordan R. and Gabe L. and Anna C., all receiving medals for their efforts.

Newmark finished in 2nd overall. Congratulations to all of the Newmark High School athletes!

SPOTLIGHT NEWS

WHAT A CELEBRATION!

The 2022 Art Show was a wild success! This past May, Newmark parents were invited back into the school building to view their child's artwork among the outstanding collection of student artwork display throughout the school.

"Parents were blown away by the variety, depth and technique shown by the Newmark student artists," commented Ms. Allman, Executive Co-Director. "Every year, students surpass the level of creativity. The quality this year was outstanding."

Thank you to all the Newmark students, parents, teachers, staff, friends and family who came together in May to celebrate the inspiring artistic achievements of Newmark students. In addition to honoring the artist contributions of our students, the Art Show is one of Newmark's largest fundraisers, raising nearly \$29,000. All proceeds will help us continue to fund the innovative arts program at Newmark and to help fund art experiences for students next year.

Most importantly, this event could not have been possible without the generous sponsors and donors who help keep the arts alive at Newmark! A huge congratulation to all the student artists and Newmark art teachers extraordinaire-- Newmark K-8's Mr. Jonathan Sykes and Mr. David Nicolato, along with Ms. Sharon Lisman, at the High School.
