

Wanted Poster Project

Choose a main character from the book who participated in an event that would lead to them being “wanted” by the police. Instead of a crime, choose a flaw, mistake or failure of the character. Complete the graphic organizer with information about the character. Use details from the book. Some information may not be in the book so you will have to come up with the details that make sense and fit the story. Use the graphic organizer to create a Wanted poster on either a poster board or 11” by 17” piece of paper.
